## August News & Updates

### Brad's Blurb

*Psalm 103:2 Praise the Lord, my soul, and forget not all his benefits --  
Benefits...*

What is part of your life now that would otherwise not be if it weren't for Jesus?  
I wouldn't be called a child of God if it weren't for Jesus.

I wouldn't know the constant companionship of the Holy Spirit if it weren't for  
Jesus.

I wouldn't experience hope, peace and value if it weren't for Jesus.

### Benefits...

Here are a few benefits mentioned in Psalm 103

- forgives all our sins verse 3
- heals all our diseases 3
- redeems our life from the pit 4
- crowns us with love and compassion 4
- satisfies our desires with good things 5
- renews our youth 5

### Benefits...

Forgives - heals - redeems - crowns - satisfies - renews  
Add to this list today!

With summer ending and the start of school just around the corner, drivers need to do their part to keep kids safe as they walk and bike to school. Whether you are taking your kids to school or just driving through a school zone, you can do your part to keep kids safe.

### Here are some simple reminders for drivers:

- Slow down and be especially alert in residential neighborhoods and school zones
- Take extra time to look for kids at intersections, on medians and on curbs
- Enter and exit driveways and alleys slowly and carefully
- Watch for children on and near the road in the morning and after school hours
- Reduce any distractions inside your car so you can concentrate on the road and your surroundings. Put down your phone and don't talk or text while driving

### Reminders for your kids:

- Cross the street with an adult until they are at least 10 years old
- Cross the street at corners, using traffic signals and crosswalks
- Never run out into the streets or cross in between parked cars
- Always walk in front of the bus where the driver can see them

Thank You to all our volunteers and the JCPenny stylists for their generosity once again this year. We had 4 stylists donating their time from the JCPenny's in Westminster (88th & Sheridan). If you need a stylist, please consider trying them or if you're shopping, please stop to say Thank You for supporting the Back to School Bash.

### August 2018 – Mission Moments – Larry and Pam Moeser

As an old Chinese proverb says: “Give a man a fish and you will feed him for a day. Teach him how to fish and he will be fed for a lifetime.” A wise observation and a partial description of the efforts used by the Moesers and staff to improve the lives of marginalized people in Thailand. Their work in this area is performed through a not-for-profit, Sustainable Development Research Foundation (SDRF).

You may recall their visit to FCC when we first decided to help fund their ministry efforts. At that time, they used the fish farming activities to build relationships in the various communities that they were sent to serve. The fish project opened doors and allowed the development of relationships that encouraged the sharing of the good news of Christ in Thailand. The fish farming projects also provided educational activities to help improve the lives of the Thai people. The introduction of skills and tools sustains the ability to raise fish for use by the people participating in this project. Other projects of SDRF include aquaponics, hydroponics, water collection, storage and distribution in participating communities.

Please keep the Moesers in your prayers for opportunities to naturally share about Jesus with their Muslim and Buddhist friends. Pray also for the wisdom from the Holy Spirit for the courage to speak, especially in Thai which they are not fluent in. Pray also for khun Sao as she needs to spend more time away from the center to help her elderly mother.
